CONSTRUCTION & BUILDING INDUSTRY**

BUYING OFFICE

9th May 2022

Dear Sir / Madam

Price Increase Notification – 6TH June 2022

We are writing to advise that we have no option but to implement a further price increase as of Monday 6th June 2022. This is mainly due to ongoing escalating fuel and energy costs for manufacturing, increasing distribution costs and inflation in EU countries rising in certain countries to 12%.

As always, we will keep the increases to a minimum and your Account Manager will be in contact with you in the coming days to ensure this process is as seamless as possible and that our prices remain competitive. Please find enclosed our Price Increase Notification for your information. Unfortunately, with immediate effect, any quotations you currently have with us for products mentioned on the enclosed will no longer be valid.

Although stocks are available we still anticipate potential shortages, therefore we urge you not to stockpile as we are trying to ensure continuity of supply to all loyal customers.

Assuring you of our best intentions and support during this difficult period.

Yours faithfully

Lee O'Sullivan
